## A GREAT SUCCESS.

The Lincoln County Fair Surpasses All Expectations in Show of Stock and Good Management.

The Lincoln County Fair is now a pleasant memory. After a three days' exhibition of the best class of horse stock ever shown in this section of the State, the fair came to an end Saturday with the best roadster ring seen anywhere in years. Eight splendid roadsters, all blue tie winners, made a hot fight for the \$150 premium, which was finally landed by Amos, owned by M. M. Wall, of Warren county. Bud James got the red tie and Charlie Cecil the white. This, however, was only one of the 60-odd hotly contested rings. The management of the fair was superb and unstinted credit is due the officers and directors for their untiring and successful labors. The success of the fair means that the organization will be a permanent one and the INTERIOR JOURNAL moves that the temporary organization be made permanent. Good crowds attended each day, that of Saturday being the largest. The weather was a little threatening that morning, else they'd all have been here. Good order was preserved throughout and there was less drunkenness than we have seen in similar-sized crowds in years. Space forbids a mention of all of the good things of the fair and the little pleasantries attendant, but suffice it to say it was success far beyond the fondest hopes of the most sanguine. Following is a list of premium winners:

### JUDGE JOHN W. HUGHES,

of Mercer county, is a candidate to represent the Eighth Congressional district of Kentucky in Congress, to succeed Hon. G. G. Gilbert, subject to the action of the Democratic party.

### WILLIAM J. PRICE,

of Boyle county, is a candidate to represent the Eighth Congressional District of Kentucky in Congress, to succeed Hon. G. G. Gilbert, subject to the action of the Democratic party.

### M. F. NORTH

Is a candidate for Representative of Lincoln county, subject to the action of the Democratic party.

THE COURIER-JOURNAL thought Curtis Jett was o.k. when he gave out his confession (?) but since he has repudiated it, the paper has referred to him as "As a hopeless. A dwarf both morally and mentally, a perjurer, a murderer, a coward, a sneak and a hypocrite; he is a hideous monster whose semblance to a man must make all honest men ashamed." We suspect the great paper is not far wrong in its latest diagnosis of Jett, but before forming our opinion we shall wait until the C.J.'s third and last guess as to the real manner of man he is.

NOT very much wisdom is supposed to come out of Kansas, but the editor of the Grasshopper State who wrote this paragraph was wise in his day and generation: "The best way in the world to kill off a politician is to ignore him. The man who seeks notoriety will do anything to get his name in the papers, and if it fails to appear for two months he will die of grief."

THE Democrats of the Seventh congressional district nominated W. P. Kimball, of Fayette, candidate for Congress on the first ballot. The nomination was made unanimous before the announcement of the vote could be made by the secretary, Judge Hill and W. P. Swope both withdrawing and pledging their support to the winner. Resolutions were adopted indorsing Bryan for the presidency.

THE Norfolk and Western Railroad has issued a bulletin in the general office against the use of cigarettes by employees, upon penalty of instant dismissal. Cigarette fiends should be barred from all business of trust. We have rarely known one that was worthy of any kind of consideration.

PRESIDENT ROOSEVELT will keep hands off in the New York State fight, with the understanding that he is to be sent to the United States Senate from that State, according to leading politicians of New York City. The Higgins followers are angry over what they term a "throw down."

PREPARATIONS for the reception of W. J. Bryan on his return to this country were made Saturday in New York. A triumphal procession will march from the Battery to Central Park, with Mr. Bryan at the head. A reception will be given at night in Madison Square Garden.

WHILE the rich are growing richer pauperism is on the decline, according to figures from the census returns. In this country the inmates of the almshouses amounted to 132 per 100,000 of population in 1880, 117 in 1890 and 101 in 1903.

A MISSOURI bigamist told the court he would rather go to jail than live with either of his wives. With this once greedy fellow it seems to be a case of "Which Way I Fly is Hell."

### POLITICAL.

State Senator Cammack, of Owenton, says he will not run for Lt. Governor. R. H. Tomison, a good Garrard county democrat, is being mentioned for committee man to succeed the late R. W. Miller.

Judge W. W. Jones, of Columbia, was nominated for appellate judge by the republicans in convention at Hodgenville.

New York democratic politicians say that W. R. Hearst is gaining ground and has a good chance of winning the race for governor in New York.

Gov. Beckman has accepted an invitation to speak at the Elks Fair and Horse Show, at Georgetown July 24, and Senator James B. McCreary will speak on July 26.

The selection of Judge Lewis McQuown and Hon. Granville Roark to be placed in charge of the coming Democratic State primary, with Col. Mott Ayres as secretary of the committee, suits us to a t.

After controlling the Republicans in Tennessee for ten years, Walter Preston Brownlow was dethroned by the faction headed by H. Clay Evans. Mr. Evans was nominated for Governor and has control of the party machinery.

Mayor John F. Fitzgerald, of Boston, says that William J. Bryan will be the next Democratic nominee for President. He says there is a spirit of unrest among existing political conditions and he believes the Democrats will win the next presidential election.

William J. Bryan gave out a statement in London in which he said that he was still a bimetallist, but he did not think the silver question would be an issue in the next presidential campaign. He said other questions had forged to the front that must be dealt with by the democratic party.

Bourke Cockran says in his opinion President Roosevelt is the only choice of the Republican party for President. He says Bryan is now the unanimous choice of the Democratic party for President, but that he would not be astonished to see a Democrat step from the New York governorship to the White House.

One on Col. Chinn.

Will J. Lampton, the well known writer and newspaper correspondent, of New York, who has attracted a great deal of attention by his many funny verses, is out in a skit of Col. Jack Chinn, who recently vanquished an opponent in Harrodsburg by using an umbrella. It runs as follows:

Hit him ag'in,  
Colonel Chinn;

Hit him in the smeller  
With your cotton umbrella,

And show the folks of old Kentuck  
That you're the sort of feller

Who doesn't have to pull his gun,

When warlike action must be done,

Hit him ag'in,  
Colonel Chinn;

Hit him ag'in,  
It's a strike for progress

And you're bound to win.

Hit him ag'in.

DANVILLE COURT.—A small crowd attended Danville court yesterday and very little business was transacted. There were very few cattle on the market and little demand for them. Horses and mules were wanted at high prices. After more than 40 years, the Confederate soldiers in Gen. John H. Morgan's command, who surrendered to Gen. E. H. Hobson, of the Union army, at Mt. Sterling, in May, 1865, are receiving pay for their horses taken from them at that time.

Modest Claims Often Carry the Most Conviction.

When Maxim, the famous gun inventor, placed his gun before a committee of judges, he stated its carrying power to be much below what he felt sure the gun would accomplish. The result of trial was therefore a great surprise, instead of disappointment. It is the same with the manufacturers of Chamberlain's Colic Cholera and Diarrhoea Remedy. They do not publicly boast of all this remedy will accomplish, but prefer to let the users make the statements. What they do claim, is that it will positively cure diarrhoea, dysentery, pains in the stomach and bowels and has never been known to fail. For sale by Stanford Drug Co.

The State Board of Agriculture, Forestry and Immigration will meet Friday in Louisville to settle on plans for holding a State Fair this fall. The fair will probably be held this year at one of the local racing parks.

Saved His Comrade's Life.

"While returning from the Grand Army Encampment at Washington City, a comrade from Elgin, Ill., was taken with cholera morbus and was in a critical condition," says Mr. J. E. Houghland, of Eldon, Iowa. "I gave him Chamberlain's Colic, Cholera and Diarrhoea Remedy and believe saved his life. I have been engaged for 10 years in immigration work and conducted many parties to the south and west. I always carry this remedy and have used it successfully on many occasions." Sold by Stanford Drug Co.

Miss Lola Walker, who is suing Col. Dick Edwards for breach of promise at Union City, Tenn., testified that she would have killed Edwards had he accepted her invitation to visit her in St. Louis.

War Against Consumption.

All nations are endeavoring to check the ravage of consumption, the "white plague" that claims so many victims each year. Foley's Honey and Tar cures coughs and colds perfectly and you are in no danger of consumption. Do not risk your health by taking some unknown preparation when Foley's Honey and Tar is safe and certain in results. The genuine is in a yellow package. Penny's Drug Store.

The treatment is simple and pleasant and we absolutely guarantee to refund the money to each and every customer whose corns are not promptly removed with entire satisfaction. A bottle of this great preparation only costs 15 cents and nothing if a perfect cure is not speedily effected. G. L. Penny, druggist, Stanford, Ky.

Was in Poor Health For Years.

Ira W. Kelley, of Mansfield, Pa., writes: "I was in poor health for two years, suffering from kidney and bladder trouble, and spent considerable money consulting physicians without obtaining any marked benefit, but was cured by Foley's Kidney Cure, and I desire to add my testimony that it may be the cause of restoring the health of others." Refuse substitutes. Penny's Drug Store.
